

# Fraser Island Defenders Organisation & Cooloola Coastcare

[www.cooloolacoastcare.org.au/projects/bioblitz](http://www.cooloolacoastcare.org.au/projects/bioblitz)

20, 21, 22 March 2020

Come for a day or the whole weekend!

#### BASE CAMP

Rainbow Beach Community Hall

#### EXPERT LEADERS

Expert scientists & naturalists will lead your group into the field to locate & identify all living things in a range of habitats.

**No experience or special skills required to participate.**

Ages: teens to retirees. Open to locals & out-of-town visitors.

#### DIVERSE MAGNIFICENT PRISTINE NATURAL ENVIRONMENTS

Beach, bush, lakes, estuaries, sand blow, perched lakes, fens. In the Great Sandy Biosphere & National Parks

#### INFORMATIVE PRESENTATIONS BY KNOWLEDGEABLE EXPERTS

Free evening presentations by scientists open to the public.

#### DINNERS & SOCIAL GATHERINGS

Friday & Saturday night dinners with the scientists

Brown bag lunches available to pre-order
